

Reorganization of

15th Pipeline Technology Conference

30 March - 2 April 2020

Europe's largest and most international pipeline conference goes online because of COVID-19

(available from 18 March 2020)

QUICK FACTS

The app will include a wide range of networking opportunities for speakers, participants, exhibitors and sponsors and will offer a variety of interactive features

- ✓ Browse through 100+ technical presentations and download papers, presentations and videos
- ✓ Get in touch with the speakers and join open discussions for specific presentations
- ✓ Take a look into the list of participants and establish contacts and chat with the registered participants within the app
- ✓ Get detailed information about the 90+ sponsors and exhibitors and get in touch with dedicated contact persons
- ✓ Join the discussion and publish your posts within the central Activity Feed with the possibility to like and comment
- ✓ Take part in live polls and surveys (e.g. ptc Photo Contest)
- ✓ More features are currently under development

A part of the ptc Seminars on 30 March will be offered in a webinar / webcast version.
